Greater Levels Youth Association Codes of Conduct

We all have the responsibility to promote high standards of behavior in the game.

Coaches

GLYA football program to ensure football can be enjoyed in a safe, positive environment.

Remember children's football is a time for them to develop their technical, physical, tactical and social skills. Winning isn't everything.

Play your part and observe The GLYA Code of Conduct for parents/guardians at all times.

On and off the field, I will:

- Understand that we pray before every practice and game.
- I will place the emotional and physical well-being of my players ahead of a personal desire to win
- I will treat each player as an individual, remembering the large range of emotion and physical development for the same age group
- I will do my best to provide a safe playing situation for my players
- I will promise to review and practice the basic first aid principles needed to treat injuries of my players
- I will do my best to organize practices that are fun and challenging for all my players
- I will lead by example in demonstrating fair play and sportsmanship to all my players
- I will provide a sports environment for my team that is free of drugs, tobacco, and alcohol, and will refrain from their use at all youth sports events
- I will use appropriate coaching techniques for each of the skills that I teach
- I will remember that I am a youth sports coach, and that the game is for children and not adults

I _____, have read and understood GLYA Codes of Conduct and will to the best of my ability follow them.
